8. If you are taking heart medication, ask your doctor about when to take these drugs in relation to the test.
9. If you have an artificial heart valve, please remind your doctor.

Office Policy Regarding Insurance

What will my insurance be billed for?

Your insurance will be billed for an abdominal ultrasound, CPT code 76700.

Office Policy Regarding Payment

- The insurance co-pay, as indicated on your insurance card, is to be paid prior to the ultrasound.
 - If your deductible has not been met, then we will collect up to \$200 prior to the procedure or your copay.
 - We will bill only the insurance companies for which proof of coverage has been provided.
 - The account balance will be due within 90 days of the service and treatment date.
 - You, the patient, are responsible for contacting your insurance provider about non-payment, delays in payment and reduced payment.
-
